

Share your time and talents with the Learning Lab for Eldercare Technologies!

Augustana Care has a flexible and rewarding volunteer opportunity available at the Learning Lab for Eldercare Technologies.

Make a difference by using your skills and interests as an **administrative support volunteer**! Help staff with important tasks including:

-  Tracking statistics and entering data
-  Keeping records
-  Printing and collating
-  Answering phones
-  Scheduling information sessions
-  Helping assemble info packets
-  Providing general support for mailings, meetings & other projects

WHERE:

1015 4th Avenue North,
Suite 207 in Minneapolis

WHEN:

Flexible times 5-10 hours/
week, Monday-Friday
